

Date: EXECUTIVE COMMITTEE - OCTOBER 17, 2023
Re: Announcement - Matthew Brownlow 5 Year Service Award

Announcing Matthew Brownlow - 5 Year Service Award

Matthew started with the Municipality in August 2018. At the time, he had just completed his Level 1 certification with the Nova Scotia Building Officials Association. He spent several months working with, and being mentored by Building Officials to better understand how we did things in East Hants.

Over the past 5 years, Matthew has completed his Level 2 qualification with NSBOA. He has also completed the Level 1 Fire Inspector training, and holds a certificate for the Rick Hansen Accessibility Certification. He has been a valued member of the JOHS Committee since October 2018. He has been a member of the Canadian General Standards Board for multiple committees as a representative for Atlantic Canada. In 2022, Matthew was the successful candidate for the Senior Building Official position and has been moving the division forward by creating new standardized processes and procedures.

Matthew is an active member of the East Hants Ground Search & Rescue team. When not at the office or volunteering his time with GSAR, he can be found spending time with his wife and two sons, dog Ritz, and multiple chickens. Congratulations Matthew, and thank you for your service to the community of East Hants.
