Re: Announcement - Graham Scott 10 Year Service Award

Announcing Graham Scott - 10 Year Service Award

Graham began his full-time career with the Municipality 10 years ago, on August 5th, 2013 as Business Development Officer. Previously Graham held positions as Community Recreation Services Coordinator in 2009 and 2012 and as Business Development Officer in 2013 before being hired permanently. In 2019 Graham was promoted to our Manager of Economic and Business Development.

As our Manager of Economic and Business Development Graham has advanced the division significantly over the years to achieve Council's goals. The most recent accomplishment of the Economic Development team was bringing forward a new Economic Development Plan for adoption by Council. Graham is passionate in the work he does and has become a dependable and trusted support to the local business community. Through Council's business support services Graham is continuously developing strong relationships that has led to the attraction and growth of businesses in East Hants.

Graham is a local resident residing in Lantz with his wife and children. Outside of work Graham is an active volunteer and is a member of the Lantz Volunteer Fire Department officer group. In July 2023 as part of the Lantz Fire swift water rescue team Graham supported the rescue efforts during the flood event and truly exemplified the meaning of a hero.

Graham is a dedicated, hardworking team member who has progressed through many roles in the organization. He is a strong team leader that has earned the respect of his co-workers. In order for the community of East Hants to thrive the business community needs to thrive. Graham has a positive outlook and is a contributor across all departments of the organization to support the overall growth and success of East Hants.

Please join me in thanking Graham for his 10 years of service. Congratulations Graham!
