

We are recruiting for a Heavy Equipment Operator to join our Solid Waste team.

This position operates heavy equipment and machinery at the East Hants Waste Management Centre in Georgefield, NS. This position also performs minor equipment repairs, participates in general maintenance for site buildings and grounds, and supports activities in the scale house.

Qualifications:

- Successful completion of Grade 12 or GED equivalent.
- Heavy Equipment Operator certification (6-month course).
- Prior experience in solid waste handling and operating a scale house would be an asset.
- Mechanically inclined with the ability to carry out minor mechanical repairs on equipment.
- Physically able to lift up to 70 pounds and perform strenuous activities over long periods of time.
- Able to work flexible hours with minimal supervision.
- Good communication skills in order to assist the public.
- Able to interpret and understand policies, procedures, and legislation related to a Waste Management environment.
- WHMIS and Transportation of Dangerous Goods would be considered an asset
- Valid class 5 driver's license. Drivers abstract required.
- Ability to work during the operational hours of the Waste Management Centre, including rotational Saturdays.
- Reliability and dependability are must-haves in supporting this essential service to our community.
- Clean criminal record check.

Working Conditions

- This position qualifies for overtime pay and the workload of this position may vary at times requiring some overtime.
- May work under extreme weather conditions and around loud noises, foul odours, and garbage or waste materials.
