RE: **Corporate & Residential Services Committee Report**

The Committee held its regular meeting on December 12, 2023 in Council Chambers. No motions are coming forward as a result of that meeting:

1. [PRESENTATION - FIRE SMART - KARA MCCURDY, DNR](#)

Kara McCurdy from the Department of Natural Resources gave a presentation titled “Fire Smart” and dated for 2023. A copy of the presentation was attached to the agenda and available to call committee members. FireSmart is a program that offers resources to help Canadians understand wildfires and what can be done to decrease the risk of property loss. Ms. McCurdy is trained in wildfire risk assessment and has been working with municipalities to perform assessments and assist in risk mitigation.

As Chair of the Committee, I move the adoption of this report.
