January, 2024

Dear Adam,

This letter is being sent to advise you that the members of the Uniacke and District Volunteer Fire Department have voted to obtain the land on Charles Drive for \$1.00 for the purpose of building a substation.

This future substation would be roughly 100 x 86 in size and could be built in conjunction with a structure for parks and recreation for the community of Mount Uniacke.

Sincerely,

Brian Supple  
Chief
