Subject: Meadow View Way open space

Good afternoon,

I understand that my email comes after the vote last night regarding the disposal of open space on Meadow View Way in Belnan, but my husband and I felt the need to send a message in order to have our voice heard and on record, as I'm sure this is not the end of this issue.

I attended the meeting last night. I did not send an email prior to the meeting because I did not realize that we would not be able to speak at the meeting. I was very happy with the vote to defeat the disposal of the open space 6-4. I want to thank Mr. Rhyno for voicing his concern and the others who voted against this.

We are the homeowners of xxxxxxxxxxxxxxxxxxxx and this would have a direct impact on our life. We choose this property for the quiet and the privacy of the lot and are very concerned to about the idea of having a road in our back yard.

The issue of safety for exiting Ridgewood Court was brought up as a reason for the need for the road. I feel like someone is really grasping at straws here using this as a reason. If that was the case, every cul de sac in the municipality would need to be reevaluated, not to mention an entire elementary school sits at the end of MacMillan drive in Elmsdale with only one exit in or out.

Thank you for your time
Shannon & Matt Myers
