Subject: East Hants Stakeholder Meetings

Good day,

The Liberal Caucus of Nova Scotia will be in your area on June 12th and would like to arrange meetings with stakeholders to discuss local issues. We are committed to bringing meaningful changes to our community and we can only do that through discussions like these. I am reaching out to you to inquire about arranging an appointment to meet with your council on this day. Please respond to this email at your earliest convenience to reserve your meeting time. I welcome any questions you may have.

I look forward to hearing from you soon!

Kind regards,

Michelle Coleman
Outreach Officer
Nova Scotia Liberal Caucus Office
