RE: Parks, Recreation & Culture Committee Report

The Committee held its regular meeting June 18, 2024, in Council Chambers. The following motion is coming forward as a result of that meeting:

1. DISTRICT RECREATION FUNDS APPLICATIONS (INTAKE 2) FOR 2024

This report brings forward District Recreation Fund (DRF) recommendations for Council consideration. The second intake for DRF closed April 30, 2024. Five applications have been reviewed and are being brought forward for consideration. Additionally, a change of scope has come in from an organization that was awarded funding earlier this year.

Council may wish to approve funding from multiple districts where projects benefit facilities and user groups that service a large area of the municipality. This report notes under each project where other districts have contributed to previous years' projects.

The Parks, Recreation and Culture Committee recommends *that Council direct staff to prepare a report with respect to current policies on funding playground development and suggestions for policy improvement.*

As Chair of the Committee, I so move.

The Parks, Recreation and Culture Committee recommends *that Council approve District Recreation Funding 2024/2025 (intake 2):*
