PO Box 160, Windsor,

Dear Mr. Lemal,

The Municipality of East Hants has been engaged by the public to explore possible enhancements to the existing crosswalk along Highway 2, Milford, with the Milford Recreation Centre property being the major destination, in collaboration between the Municipality and the Province.

Crossing signs have existed at the location for several years, however painted markings have been recently removed. The ideal outcome would be to establish a clear path forward in determining what can be put in place to improve that crossing, and identify which government entity will take on its long-term oversight.

Your consideration on this matter would be appreciated and the Municipality of East Hants looks forward to working with your team on this item.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jesse Hulsman".
