**RE:** Infrastructure & Operations Committee Report

---

The Committee held its regular meeting on March 18, 2025, and the following motion is coming forward as a result of those meetings:

### 1. FRIIP APPLICATION REPORT

The application process for the Flood Risk Infrastructure Investment Program (FRIIP) opened on March 3, 2025. The application deadline is April 28, 2025 and requires a resolution of Council, endorsing specific project submissions. Staff recommend submitting an application for “Flood Risk Mitigation Study - Barney’s Brook”. This project has been approved to take place in this fiscal year.

The Infrastructure & Operations Committee recommend *that Council prioritize “Flood Risk Mitigation Study - Barney’s Brook”, as the Municipality’s priority for a funding application through the Flood Risk Infrastructure Investment Program for 2025.*

*As Chair of the Committee, I so move.*
