Dear Mr. Lemal,

As per council motion C25(41), approved in February's meeting of council, the Municipality of East Hants is writing to advocate for the continuation of repaving work along East Uniacke Road, with the next priority area being from Lakecrest Drive to Nature Drive.

The Municipality appreciates that a portion of the East Uniacke Road, requested for repaving in our October 2024 letter, is included in the updated provincial Five-Year Highway Improvement Plan (3.2km from Powell Drive to Lakecrest Drive). The next section along East Uniacke Road, beyond Lakecrest Drive, is the worst condition that residents have faced for several years with narrow to non-existent shoulders, re-occurring deep potholes, heavy truck traffic, and an overall increase in traffic from expanded residential development in the area.

Your consideration on this matter would be appreciated and the Municipality of East Hants looks forward to working with your team on this item and other opportunities for improvement as they arise.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jesse Hulsman".

Director of Infrastructure & Operations  
Municipality of East Hants
