CAO and Council

With regards to the regular meeting of East Hants Council, July 23, 2025

Presentation and Petition re the Shubenacadie Cenotaph

I was disappointed, as other residents were, with the outcome, following an informative, well planned and moving presentation by Shubenacadie residents, Michelle Anthony, Carolyn Nelson, Susan Smith and Willie Courtney.

A motion by Councillor Garden-Cole, was passed to have staff review and present a report in September, prolonging the situation at hand.

Council, do the right thing.

Respect our Veterans, past and present by voting in favour of returning the Cenotaph immediately, to its original location in the centre of our village in time for November 11 Remembrance.

Respectively
