Subject: Shubenacadie Cenotaph

Dear Mr. Tingley,

I am reaching out to you following my attendance at the meeting held tonight in the municipal chambers for East Hants. During the meeting, four community members addressed concerns regarding the relocation of the cenotaph. I was disheartened by the council's lack of time for discussion on the important issue that was brought forward. It is my belief that the cenotaph should not have been moved from its original location. Therefore, I urge you to prioritize this matter on the agenda for the September meeting, as the cenotaph must be put back in its original location in time for our Remembrance Day service on November 11, 2025.

Sincerely,
Barb Juliusson
