Dear CAO and Council of East Hants,

In 1950 the Municipality of the County of Colchester, the Municipality of the District of East Hants, the Town of Truro, and the Town of Stewiacke agreed to form a regional library to provide exemplary public library service to their communities. 2025 marks the 75th anniversary of that service by Colchester-East Hants Public Library!

We will be celebrating our diamond jubilee with public celebrations and other programming activities throughout the year, promoting reading, community togetherness, and the culture, diversity and creativity of our region. We will highlight the history of the Library and set the stage for how CEHPL will continue to serve the public in the future.

This is a major milestone that deserves to be recognized and celebrated, and we couldn't have gotten here without the support of our community partners – like you!

Please come and celebrate with us at the Kennetcook Fire Hall on Wednesday, September 10 - the festivities begin at 3pm!
