Subject: Shubenacadie Cenotaph

To all councillors and staff,

I have been a resident of Shubenacadie for 53 years and am very proud to live here.

I am very concerned about the moving of the memorial cenotaph in Shubenacadie.

I think it was a mistake to move it without consulting the residents and descendants of those men who gave their lives for their country.

Why this was done is a mystery to me; I have read and reread, opinions, comments and letters written, and still am at a loss, as to the reason for council to have made the decision to move the cenotaph.

I feel that it should be moved back to it's original place where it was placed in 1921.

Respectfully,  
Myrna Isenor
