RE: Parks, Recreation & Culture Committee Report

The Committee held its regular meeting on September 16, 2025 and the following motion is coming forward as a result of that meeting:

1. [SHUBENACADIE CENOTAPH](#)

The Chief Administrative Officer presented a report outlining the background and significance of the Shubenacadie Cenotaph to the members of the community and the Municipality. The report outlined several options for the Committee to discuss and consider.

The Parks, Recreation & Culture Committee recommends that *Council relocate the cenotaph to a prominent site to be determined within the parking lot location with an estimated cost of \$40,000 to be funded from General Tax Rate Contingency Reserve and that public consultation take place before a final move is made.*

As Chair of the Committee, I so move.

This concludes the report.
