

He My name is Reg VanderKooi
I heard a lot of things about the
Cenotaph why it had to be moved
and what for. If the legion wants
it moved and asked the counsell
and they had it moved at no
cost to the legion that was a blessing
for them. Also I am a life member
of the legion and I see that the
Cenotaph is in the right spot
beside the legion, and now I fear
that they want it back to where it
was. that is a mistake. the people
are getting to old to march any more.
there is a lot of work to set up
on Nov. 11. They do not have the
help like they should. I lived
here in Skubenadie since 1959
as a member of a legion the
Cenotaph should stay where it is
it in the proper place now.
Signed. Reg VanderKooi

Don't move it also

it is safer for the People,
and Kids more parking
and they dont have to close
the roads. Thank You
