RE: **Corporate & Residential Services Committee Report**

The Committee held its regular meeting on September 16, 2025, and the following motion is coming forward as a result of that meeting:

1. MUNICIPAL FEE POLICY

In early 2025, Council reviewed the dog tag registration program and decided to maintain the current program and requested policy amendments to implement a lifetime dog registration option. The Corporate & Residential Service Committee recommends updating the Municipal Fee Policy to include this option.

The Corporate & Residential Services Committee recommends *that Council give notice of intent to approve the addition of a lifetime dog registration fee to the Municipal Fee Policy, as attached to the Executive Committee agenda dated September 16, 2025.*

As Chair of the Committee, I so move.

This concludes the report.
