Subject: Comment on Kiln Creek Proposed Amendment

Hello,

I hope this email finds you well,

I just wanted to comment regarding the proposed Clayton development amendment (Kiln Creek). I think the added density is great, however I'm not sure if I agree with plot K being a good fit for a storage unit. Being close to both the proposed new Lantz retail areas, and close to the path that will connect to the Elmsdale shopping centre (which I love), I'm not sure if this is an appropriate place for something that is neither office space, retail commercial, or additional residential (all three I think could fit better here)

Additionally, I support the addition of more apartments, but I would love to see more greenery, and less surface level parking lots. On that topic, I would also like to thank council for deciding not to turn the small park in downtown shubie into a parking lot.

Thank you for your time.

Best regards,

- Jacob
