Subject: Fw: Release of the PMC's Annual Report

Good afternoon, Eleanor and Rod:

I'm forwarding the Progress Monitoring Committee's 2025 annual report, for you and your Councillor's information.

As you know, the Progress Monitoring Committee is overseeing the Mass Casualty Commission's recommendations, and the progress being made to implement them. The term of the Committee is three years, ending in 2026. From my perspective, as the representative for our three municipalities on this Board, a lot of work has been done, planning been made on things to do, with some being implemented, but I see a whole lot more work that needs to be done. However, we are going forward and that is positive.

Regards,  
Christine
