**Subject:** Wish Givers Donation Fund

Dear Ms. Swinemer

My wife & I have established the “Charles & Claire Cartmill Foundation” for charitable causes we wish to support.

As residents of Mount Uniacke we would like to support causes in our community such as WishGivers for which Craig MacLean is the Chairperson. Given that WishGivers does not have their own CRA charitable registration number we would like to process our donations to WishGivers through the Municipality of East Hants. We expect this to be the first of additional donations and request that the Council of East Hants establish a Donation Fund for WishGivers.

Our foundation is managed by the Benefaction group out of Toronto who would issue cheques on our behalf.

Thank you for your support.

Charles Cartmill
