

Take Notice that the Council of the Municipality of East Hants has approved a proposal to amend the East Hants Official Community Plan to enable, by development agreement, Institutional Use (IU) Zone uses to be subdivided on an existing right-of-way easement for land zoned Two Dwelling Unit Residential (R2) in a Growth Management Area.

The amendments were given second reading and adopted by Municipal Council at a public hearing held on October 29, 2025. The effective date of the amendments is the publication date of this notice. Copies of the amendments may be inspected at: [**easthants.ca/planning-applications**](https://easthants.ca/planning-applications).

Dated at Elmsdale, Nova Scotia, this 8th day of January, 2026.

John Woodford,
Director of Planning & Development
