Good morning Jo:

YOU JUST MADE OUR DAY. Thank You and Council, it is very much appreciated.

We have a Rotary Day of Service each year. It includes a BBQ and bike give away. However, it is not a public event. I am sending you an invitation. Rules are simple: Come and enjoy yourselves and see the smiles you have given to many. We cannot permit random picture taking as there are children involved and the integrity of the program and recipients is a priority. But, we are more than happy to have our pictures and pictures of our partners taken with you. It is a very heartwarming event.
