Re: Metro Regional Partnership - Expression of Interest - Canada Public Transit Fund

Dear Mr. Peck,

I am pleased to confirm, on behalf of East Hants Municipal Council, that the Municipality of the District of East Hants supports being a Metro Region Partner, along with the Halifax Regional Municipality (HRM), in responding to the Expression of Interest to the Canada Public Transit Fund.

We look forward to collaborating with the Joint Regional Transportation Agency and the HRM to bring transit solutions to our region.

Best regards,

Kim Ramsay, CAO
Municipality of East Hants
