Area Manager, Hants
NS Department of Public Works,
PO Box 160, Windsor,
Nova Scotia, B0N 2T0

Dear Mr. Lemal,

As per council motion C25(308), approved in the September 2025 meeting of council, the Municipality of East Hants requests that NSDPW complete a review of truck braking regulations and required signage along the Lantz Collector Road between Highway 102 and Highway 2.

East Hants is requesting this review in response to public concerns of noise generation, specifically from larger trucks along the collector road coming from Highway 102, heading towards Highway 2. The collector road is well used and overall, a significant benefit to the community. This request is coming forward to seek continuous improvement, based on learnings from the community for how vehicles are operating along this major traffic corridor.

Your consideration on this matter would be appreciated and the Municipality of East Hants looks forward to working with your team on this item.

Sincerely,

A handwritten signature in blue ink, reading "Jesse Hulsman".
