Eleanor Roulston
Warden, Municipality of East Hants
Via Email: eroulston@easthants.ca

Dear Warden Eleanor Roulston:

Thank you for your letter of February 3, 2026, regarding the Brookside Wastewater Revitalization Project. I was pleased to learn that the Municipality has secured federal Canadian Housing and Infrastructure Funding for this important initiative. Congratulations to you and your team for successfully obtaining that support.

The Department understands the pressures that municipalities face as they work to renew aging infrastructure and support continued growth. As you know, provincial budgets remain tight, and we must balance many competing demands. That said, this does not diminish the very real and ongoing need for infrastructure investment across Nova Scotia.

Your request for provincial participation in the project will be reviewed carefully as we plan for upcoming provincial funding allocations in the months ahead. We recognize the importance of this project to East Hants. Should staff require any additional information or more detailed project materials, they will connect directly with your team.

Again, thank you for bringing this matter forward, as well as for your ongoing efforts to support sustainable and resilient municipal infrastructure.

Yours truly,

A handwritten signature in cursive script that reads "John A. MacDonald".

Honourable John A. MacDonald
Minister of Municipal Affairs

c: Kim Ramsay, CAO, Municipality of East Hants
Paul LaFleche, Deputy Minister of Municipal Affairs
