RE: Corporate & Residential Services

The Committee held regular meeting on March 10, 2026 in Council Chambers. The following motions are coming forward as a result of that meeting:

1. MUNICIPAL FEE POLICY

Staff presented the “Dog Bylaw - Amendments to Bylaw P-1000” report including recommendations to update the Municipal Fee Policy to add impound and redemption fees in February 2026. Council gave first reading to the updated Bylaw with second reading scheduled for the Regular Meeting of Council to be held on March 25, 2026.

Council paused on updates to the Municipal Fee Policy pending another report which was presented on March 10, 2026 titled “Impound & Boarding fees for dogs - Municipal Fee Policy”.

In February, Council tabled Motion C26(31) which included amendments where a first offence of a dog being impounded for running at large that the fees be waived up to 4 days.

Staff recommend that Motion C26(31) be lifted from the tabled and defeated to allow a new recommendation coming forward from the Corporate & Residential Services Committee that includes updates based on the March 10th report. This will align the approval of both the policy and bylaw updates for the March 25, 2026 Regular Meeting of Council.

I move that Motion C26(31) be lifted from the table (wait for a seconder)

C26(31) on the floor:

“That Council gives notice of intent for updates to the Municipal Fee Policy, including the addition of impound and boarding fees, as attached to the Executive Committee agenda and as amended on February 17, 2026”.

(Vote to be held)

New Recommendation is that:

The Corporate & Residential Services Committee recommends that Council ***gives notice of intent for updates to the Municipal Fee Policy as attached to the Executive Committee agenda dated March 10, 2026.***

As Chair of the Committee, I so move....

This concludes the report.
