Dear Sponsor:

**Re: Royal Canadian Legion Branch #166 – Veterans' Memorial Park**

I am writing on behalf of the Royal Canadian Legion Hants North Branch #166 to invite you to consider sponsoring the purchase of a display pole in our new Veterans' Memorial Park that will serve as a lasting tribute to your generosity.

As you know, we recently completed our Harvie Brothers' Memorial Monument showcasing a local family who saw 8 brothers fighting in WWII, the most from one single family in the British Commonwealth. This memorial also provided us opportunity to showcase our community's veteran banners – a task with a growing degree of difficulty given the rural location of our branch, the distance of the power poles from the roadside and the availability of equipment at an affordable cost. We are now able to display these banners in or memorial area.

With the growing interest in the display of more local veteran's banners, our branch members began looking at a way to not only showcase these local heroes and support our community members, but also make good on a promise to our community by our Charter Members of a memorial park some 19+ years ago. This new Veterans' Memorial Park is almost complete and provides opportunity for additional veteran banners to be displayed, a resting stop for those who wish to take a moment of remembrance, and is a lovely complement to our existing monument.

Display poles will be placed in our park beside our branch and each pole will allow two Veteran's Memorial Banners to be displayed and enjoyed for years to come. As part of your sponsorship, a plaque will be included to recognize your generosity and acknowledge the memory of a person or family of you choosing.

The total cost of the pole is \$125 and we are seeking sponsors to help us reach our goal of 10 additional poles. We believe this memorial would be a meaningful way to honour our Veterans and we are grateful for your support.

Please contact us at 369-2332 if we can count on your sponsorship.

Respectfully yours,

Charlene McCulloch  
President  
Royal Canadian Legion  
Hants North Branch #166
