Acting Area Manager, Hants  
NS Department of Public Works,  
PO Box 160, Windsor,

Dear Mr. Daniels,

As per council motion C26(120), approved in April's meeting of council, the Municipality of East Hants is writing to advocate for Lakecrest Drive, Mount Uniacke to be maintained to a higher standard and an overall solution be provided to sustain a good condition of that road long term.

The local area users of Lakecrest Drive have described their challenging experiences with the road conditions. There was appreciation of an early spring grading of the road for the area, however the condition has quickly deteriorated to the point where it is limiting some users from full use of the road.

Your consideration on this matter would be appreciated and the Municipality of East Hants looks forward to working with your team on this item and other opportunities for improvement as they arise.

Sincerely,
