Dear Warden Roulston:

Thank you for your letter dated April 2, 2026, regarding flooding conditions of the Lantz roundabout. As Minister of the Department of Public Works (DPW), I am pleased to respond.

Our Maintenance and Operations team is aware of this drainage issue at the Lantz Roundabout. DPW staff performed an inspection of the area on March 20, 2026, and witnessed the flooding concern. I can also confirm that staff are planning drainage improvements to this area in the upcoming months, once weather permits, and that these improvements are expected to resolve the flooding issues within the roundabout.

Thank you again for sharing your concerns. If you have any further questions or concerns, please contact Ray Daniels, Acting Area Manager for Hants, directly by phone at 902-798-6968 or by email at raymond.daniels@novascotia.ca.

Sincerely,
