Dear Evan MacDougall:

I am writing in response to your application for capital assistance through the Government of Nova Scotia's Recreation Facility Development Program.

This year requests for capital assistance have greatly exceeded our budget and as a result, a number of applications will not be funded. I regret that the Belnan Park Revitalization is not being funded at this time.

Please feel free to contact your Communities, Sport and Recreation Regional Manager if you wish to discuss your application further or for any other information you may require.

Sincerely,

Chad Lucas
