Dear The Municipality Of East Hants,

Thank you for partnering with the Community Volunteer Income Tax Program (CVITP) for the 2026 tax-filing season.

Whether you have been part of the CVITP for many years or are new to hosting free tax clinics, your contribution has made a significant difference in the lives of many Canadians.

This year marks a special milestone for the CVITP: 55 years of dedication from volunteers and community organizations coming together to help people access free tax support in their communities. From January 1 to April 30, 2026, through the dedication and hard work of community organizations like yours, more than 839,050 individuals were able to meet their tax obligations and receive the benefit and credit payments they are entitled to. For Canadians with a modest income, every dollar counts and these payments help with the costs of raising children, living with disabilities, or just keeping up with the bills.

Your desire to support those in need serves as a model of inspiration to others and a testament to the strength of our communities across Canada. In recognition of your great work, please accept the enclosed certificate of appreciation signed by the Honourable François-Philippe Champagne, Minister of Finance and National Revenue, and the Honourable Wayne Long, Secretary of State (Canada Revenue Agency and Financial Institutions).

We hope you will continue to participate in the CVITP for years to come.
