Dear Mr. Parks,

As per council motion C26(156), approved in May's meeting of council, the Municipality of East Hants is writing to request a review of line markings which currently allows passing southbound along Highway 2, through Shubenacadie, from the intersection of Havenwood Drive to civic 2652 Highway 2.

The road markings allow passing within a 50 km/h zone, which then changes to 80 km/h zone south of civic 2652 Highway 2. The community has raised concerns that the line markings encourage some drivers to increase speed too soon, which is creating public safety concerns on this stretch of road.

Your consideration on this matter would be appreciated, and the Municipality of East Hants looks forward to working with your team on this item and other opportunities for improvement as they arise.

Sincerely,

A handwritten signature in black ink, appearing to read "Jesse Hulsman".
