Council:

On June 6th the Fire Chiefs of the East Hants Fire Service Association held their quarterly meeting. The Chiefs emphasized the importance of completing a comprehensive Fire Service Review to ensure the departments can meet the evolving needs of the rapidly growing municipality. The group reaffirmed their commitment to advancing a modern, efficient, and forward-looking fire service that continues to lead in service delivery and community protection.

The Chiefs passed a motion for Council to fund a Fire Service Review Study in order to implement a 5-year Strategic plan for the Fire Service.
