

Notice of Application

EAST HANTS

TAKE NOTICE that the Municipality of East Hants has received the following applications:

PLN26 - 009: Official Community Plan Amendments - Burntcoat

A proposal was received from Swinks Agro Engineering on behalf of Atlantic Broilers Ltd. to amend the East Hants Official Community Plan to reduce the minimum setback from public road for intensive livestock operations in the Rural Use North (RU-2) zone.

PLN26-011: Development Agreement- Elmsdale

An application was received from CleanGreen Septic Services Inc. to enter into a development agreement to permit the construction of a biosolids processing facility on lands that are located in the Business Park (BP) Zone. The property is located at 293 Park Road, Elmsdale.

This is a preliminary notice intended to inform the public of consideration of the applications. Approval by Municipal Council at a public hearing is required before the proposals may proceed.

For further information, please contact the Planning & Development Department at planning@easthants.ca or 902-883-3387 or visit easthants.ca.

John Woodford, Director of Planning & Development
