Windsor, Nova Scotia
B0N2T0

Dear Business Owner or Individual,

The Hants County 4-H Council is organizing for our annual awards night. One aspect of this preparation is asking for support from local organizations, businesses, and 4-H friends in the form of trophy donations. These trophies are presented to deserving 4-H members who have completed their Achievement Day requirements and then competed against their peers at the Hants County Exhibition.

Each trophy costs \$20.00*. The donor of the trophy will have their name or business attached to the trophy that they donate to show your support of the 4-H program.

We are asking if you would consider donating, and if so, please fill out the donation form that is enclosed with this letter. Your cheque may be mailed to the Hants County Council at the address on the donation form. Please make your cheques payable to **Hants County 4-H Council**.

Thank you for your consideration of a trophy donation for our Awards Event. Our members have worked very hard, and we are excited to recognize our members for their achievements.

The support of our local organizations, businesses, and 4-H friends is greatly appreciated.

Sincerely,

Hants County 4-H Council

Thank you for your support of 4-H in Hants County!
