RE: Infrastructure & Operations Committee Report

The Committee held its regular meeting on July 21, 2026 in Council Chambers. The following motions are coming forward as a result of that meeting:

1. SNOW CLEARING STANDARDS FOR MOUNT UNIACKE (BUSINESS PARK & MUNICIPAL ROADS)

Staff presented a report outlining a stand-alone service level to allow staff to utilize current contractor availability and gain a better understanding of the potential challenges posted by conducting snow clearing operations in the Uniacke Business Park. The current contract for snow clearing runs through 2027/28 fiscal cycle and this would allow for additional updates at that time. As a result, updates to the policy were suggested.

The Infrastructure & Operations Committee recommends that *Council approve the East Hants Policy for Winter Clearing Standards for Roads and Sidewalks, as presented to Committee on July 21, 2026, and; that Council approve the East Hants Policy for Winter Clearing Standards for Roads and Sidewalks, as attached to the July 21, 2026 Committee Agenda.*

As Chair of the Committee, I so move.

2. BYLAW IO-300-2, AN AMENDMENT TO BYLAW IO-300, A BYLAW RESPECTING THE REGULATION OF CONNECTIONS AND DISCHARGES TO PUBLIC SEWER SYSTEMS UPDATE

Dealt with earlier in the meeting.

This concludes the report.
