

## **New Employee Announcements**

### **Executive Committee – September 2026**

#### **Morgan Fleet, Community Engagement Coordinator (CAO)**

We're pleased to welcome Morgan Fleet, who joined the Municipality on July 27, 2026, as our new Community Engagement Coordinator in the CAO Office, reporting to Juliann Cashen and Andrea Trask.

Morgan will be leading targeted waste reduction education as part of the Municipality's regional solid waste education contract, with funding provided through Divert NS. In this public-facing role, she will deliver education and outreach through schools, special events, and a variety of community engagement activities across the region. In addition, Morgan will also support the Communications team with design projects and other initiatives that help connect residents with Municipal programs and services.

Morgan brings six years of experience in the non-profit sector, most recently with Easter Seals Nova Scotia. She has a strong background in digital content creation, website management, and communications, and is passionate about community building, public education, and creating engaging content. She is also a graduate of the Public Relations program at NSCC.

#### **Shelby Sharpe, Administrative Services Clerk (Term)**

We're very happy to announce that Shelby Sharpe joined the Municipality on August 4th, 2026 as our term Administrative Services Clerk!

Shelby brings many years of government experience having worked for Service Canada dealing closely with client's OAS and CPP applications and maintaining accurate and confidential information. She also worked at Access Nova Scotia dealing with front line customers in a fast-paced environment, all while having tough, but professional interactions in all positions. Shelby is a local resident of East Hants, and is currently a team treasurer and manager with the East Hants Minor Hockey Association!

## **Position Changes Announcements**

### **Executive Committee – September 2026**

#### **Jonathan Higgins, Operations and Maintenance Supervisor (Sportsplex)**

We are pleased to announce that Johnny Higgins will be our new Operations & Maintenance Supervisor. This is a new position, which will support the leadership team at the Sportsplex to achieve maintenance and operating goals for the facility, as well as the providing direct leadership to the operations team. Johnny comes to us with a background of Industrial Mechanical from NSCC. Johnny has worked for the Municipality in various roles from Parks Maintenance, Building Maintenance and most recently as an arena/facility operator. We are looking forward to having Johnny in this new position!

#### **Corrine Giles, Facility Rentals & Catering Coordinator**

Corrine has been with the Municipality since 2006 as our Community Recreation Coordinator. Corrine has done a little bit of everything in the recreation department from grants, programs, events, to supporting the PRC department in any capacity that has been needed. We are very grateful for what Corrine has done for us over the past 20 years. As we enter into our third year of operating the East Hants Sportsplex, I am very excited to have Corrine as our new Facility Rentals and Catering Coordinator!

#### **John Piek (Chief Engineer), Operations & Maintenance Coordinator**

We pleased to announce that John Piek will continue for another year as Chief Engineer for the East Hants Sportsplex. John has worked at the Sportsplex since 2002 and became Chief Engineer in 2011. We're very fortunate to have him continue in this role – John's knowledge, skills, and calm leadership are greatly appreciated. A recruitment posting will remain on our website for a Chief Engineer through June 2027, when John will retire from this full-time position.
