Eleanor Roulston
Warden and Councillor, District 11

Dear Ms. Roulston,

We are writing to express our interest in purchasing the old schoolhouse property located in Kennetcook.

Our property surrounds this parcel, and acquiring it would allow us to better maintain and make productive use of the land as a whole. We believe that bringing the property under the same ownership would ensure that it is properly cared for and preserved.

We would appreciate the opportunity to discuss the possibility of purchasing the property from the Municipality. If there is a formal process or application required, we would be grateful if you could provide us with the necessary information and advise us on the next steps.

We would also respectfully ask that you present our request to Council for discussion and consideration at an upcoming meeting. We would greatly appreciate your assistance in bringing this matter forward.

Thank you for your time and consideration. We look forward to hearing from you and appreciate any assistance you can provide.

Sincerely,

Shelli and Casey Singer
