

Councillor Michael Perry, Chairperson, Infrastructure & Operations Committee

Regular Meeting of Council – September 23, 2026

Second Reading – Bylaw IO-300-2, an Amendment to Bylaw IO-300, A Bylaw Respecting the Regulation of Connections and Discharges to Public Sewer Systems

The Infrastructure & Operations Committee received a staff report at the July 21, 2026 Executive Committee meeting regarding the Sewer Bylaw recommending that the bylaw be updated to decrease the allowable biochemical oxygen demand (BOD) concentration. Council gave first reading in July and can now proceed with second reading.

The Infrastructure & Operations Committee recommends ***that Council give second reading to Bylaw IO-300-2, an Amendment to Bylaw IO-300, A Bylaw Respecting the Regulation of Connections and Discharges to Public Sewer Systems (Sewer Bylaw) as attached to the Executive Committee agenda of July 21, 2026.***

As Chair of the Committee, I so move...
